Description

We are selling these spectacular panoramic views over the village with more than 300m2 of constructed living space and almost 7.500m2 of land.

The house, which was built in 1988, needs modernization, consists of 4 bedrooms, 3 complete bathrooms, a study, a spacious living-dining room with fireplace and a fully fitted kitchen. It is surrounded by gardens and terraces; the swimming pool is situated in an elevated position where one can appreciate not only the views but also the sunsets across the mountains. The property has a private water well and a tourist rental licence for 8 people.

Esporlas is a mountain village at the foot of the Tramontana mountain range, about 15 minutes from Palma. It is picturesque and the village offers Mallorcan charm at its best with its typical stone facades and romantic streets.
